

## All in one place: Congress Centre best location for Remanexpo & Remanexpo Academy

Dear xxx,

Thank you for registering for Remanexpo at Ambiente 2025. We are delighted that you will be joining us next year to present your products to an international trade audience.

For 2025, we have planned to utilize the entire Congress Centre of Messe Frankfurt as the suitable location for Remanexpo. The advantage for you and your buyers: You will once again find everything concentrated in one place - the three exhibition areas for Reuse, Distribution and Print Plus as well as the Remanexpo Academy lecture programme.

Easily accessible, the Congress Centre is ideal for your business, with its prominent, exclusive location and direct access via the Ludwig-Erhard-Anlage city entrance. It also offers state-of-the-art congress and catering facilities and is directly connected to the adjacent exhibition halls.

As the leading international trade fair for the consumer goods industry (B2C) and commercial furnishings and fittings for all areas of life (B2B) Dining, Living, Giving and Working, Ambiente continues to offer you the best business opportunities to reach relevant buyer groups in the heart of Europe.

Together with the trade fairs Creativeworld and Christmasworld, which take place at the same time, the topic of sustainability will be a top priority in Frankfurt with an extensive event programme that is constantly being expanded, as the demand for sustainable solutions is growing.

As a platform for remanufactured printer components, Remanexpo is therefore ideally located in Frankfurt.

You will receive your individual placement proposal in the Congress Centre from us in July 2024.
